ESPECIFICACIONES TÉCNICAS TECHNICAL SPECIFICATIONS

Medidas / Measures

Dimensiones externas expresadas en centímetros incluyendo bolsillos laterales y delanteros, con el expandible cerrado y abierto (si lo tuviera).
External sizes in centimetres including lateral and forward pockets, with expandible closed and open (if any).

Capacidad / Capacity

En cada producto viene indicado el volumen en litros y el peso en kg.

Cómo calcular los litros:

$$\frac{\text{Ancho} \times \text{Alto} \times \text{Profundo}}{1000}$$

Each product has its volume given in litres and weight in kg.

How to calculate litres:

$$\frac{\text{Width} \times \text{Height} \times \text{Depth}}{1000}$$

El volumen se indica con el expandible cerrado y abierto (si lo tuviera). Este podría sufrir variaciones debido a la compleja estructura del producto.
The volume is shown with the expandible closed and open (if any). It could change because of the complex structure of the product.

» PVC free

La mayoría de los productos de nuestro catálogo son libres de PVC.

El cloruro de polivinilo (PVC) es un plástico versátil, pero con un impacto ambiental negativo. Por ello, hemos optado por materiales más seguros y sostenibles, eliminándolo en todos los casos posibles.

Most of the products in our catalog are PVC-free.

Polyvinyl chloride (PVC) is a versatile plastic, but it has a negative environmental impact. Therefore, we have opted for safer and more sustainable materials, eliminating it whenever possible.
